

# Are you Ready?

The HGEA Retirees Unit would like to help you prepare for the best journey of your life! Retirement! Whether you are a new hire, an employee seeing retirement in the near future, or ready to retire now, join us for an information packed retirement session. It's never too early to learn the process of retirement and plan for your future.

We have invited the Hawaii Employer-Union Health Benefits Trust Fund (EUTF) to educate you on planning for your retirement. We will have a prerecorded presentation from the Employee Retirement System
