

“Ask the Expert” Health Series

In 2025, HGEA is partnering with the Department of Health (DOH) to educate our membership on a number of different health issues in our community (and the power we have to stop them).

What: *Save Lives Through Screening: Hepatitis in Hawai'i*

Despite being preventable, deaths from hepatitis B and C continue to burden Hawai'i. Learn about the ABCs of viral hepatitis and what you can do to prevent or treat it!

When: Tuesday, March 4th @ 5:30p

Where: Zoom (Zoom link to be sent upon registering).
